

ALL APPOINTMENTS MISSED WILL BE CHARGED THE SAME AS AN OFFICE VISIT

WE TURN AWAY PATIENTS EVERYDAY BECAUSE THERE ARE NO OPENINGS IN OUR SCHEDULE. You may have called at some point yourself and we were full. When we have a no show, it's too late to call someone on the waiting list, and those that need to get in have to wait.

Do not rely on text or email reminders because technology fails. Write down all your appointments. We pay a service as a COURTESY to remind you, but the responsibility is still yours!

Notify us at least 4 hours ahead of your appointment time if you are unable to come to avoid the missed appointment fee.

I have read and understand the above notice.
