

**ALL APPOINTMENTS MISSED WILL BE  
CHARGED THE SAME AS AN OFFICE VISIT**

**WE TURN AWAY PATIENTS EVERYDAY BECAUSE THERE ARE NO OPENINGS IN OUR SCHEDULE. You may have called at some point yourself and we were full. When we have a no show, it is too late to call someone on the waiting list, and those that need to get in have to wait. Last minute “not feeling well” is unfortunately overused so we charge for ANY appointments without a 4-hour notice.**

**Just always remember a missed appointment costs the same as kept appointments.**

**Notify us at least 4 hours ahead of your appointment time if you are unable to come to avoid the missed appointment fee.**

**I have read and understand the above notice.**
